Attachment to EC Type Examination Certificate (2/2)

Application/Limitations of Use:

1. PyroPol Para Rocket red CF3, Art-No 1304800 is identical to the PROTEUS, approved under certificate number MED-MB-1013-11 dated 9th September 2021.
2. Instructions and manual for use, inspection and onboard maintenance shall be provided onboard and available in the ship's official language.
3. The date of expiry shall be marked on the flares and the equipment shall be replaced prior to the date of expiry.

Marking of product:

1. Mark of Conformity
- The manufacturer is allowed to affix the Mark of Conformity  according to Chapter 2, Article 9, 10 of the Council Directive 2014/90/EU on marine equipment and issue a Declaration of Conformity, only when the module D or E or F of Annex II of the directive is fully complied with.

Conditions of the validity:

1. The products are to be manufactured in accordance with the approved production quality assurance system (Module D) or approved product assurance system (Module E), or are to be subjected to product verification (Module F) of the Council Directive 2014/90/EU on Marine Equipment.
2. If the Directive or the applied Standard(s) is amended, the product is to be re-approved in accordance with the amended requirements prior to it being supplied to vessels to which the amended Directive or Standard(s) apply. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this certificate invalid.
3. The Manufacturer must inform the "Notified Body" of all modifications which may affect compliance with the requirements.
4. The Mark of Conformity may only be affixed to the product and a Declaration of Conformity may only be issued when the production/product assessment module referred to in the council directive, is fully complied with.

Remark

- Renewal of existing certificate issued on 09. 09. 2016.

End of Certificate
